

# Camps for Kids with Diabetes

Camp  
Ko-Man-She

www.diabetesdaytoncamps.com

Camp  
Tiponi

camp for kids with  
type 1 diabetes

## Campers enjoy:

- Having fun in the great outdoors and participating in challenging new activities
- Making friendship with other kids living with diabetes that will last a lifetime
- Learning new things about diabetes management and forming a diabetes support system
- Being able to enjoy camp knowing there are people who understand diabetes that are there to help you

Camps presented by Diabetes Dayton as part of our non-profit programming.

[www.diabetesdayton.org](http://www.diabetesdayton.org)

camp for kids living with  
insulin resistance,  
prediabetes or type 2 diabetes

## Parents enjoy:

- Physicians and nurses from Dayton Children's Medical Center with diabetes expertise providing around the clock supervision
- Counselors with diabetes understand the children's needs and are strong role models
- RD designed meals and snacks, as well as blood glucose monitoring and injections integrated into the camp program

Both camps are held at Camp Willson, a YMCA Outdoor Center, in Bellefontaine, Ohio.
